9 AM and 11 AM

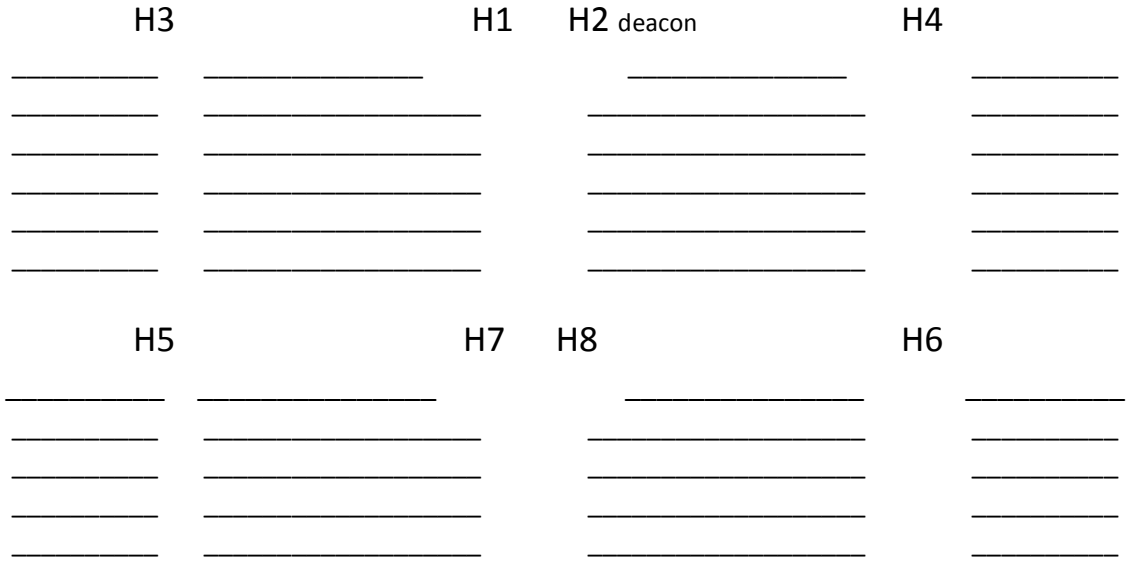
Extraordinary Ministers of Holy Communion

Line up and Distribution

Line up
With 1 Priest and 1 Deacon present

H3 H4
H5 H6
H7 H8

Distribution Positions



GENERAL INFORMATION Always arrive early and look for updates when you sign in before the Mass.

Once the EMHC have lined up on each side, as soon as the priest consumes the host the first person in line will lead the others up to the altar positions.

After each person receives the ciborium at the altar positions, the EMHC who will distribute in the mid-church area will all go down the **main aisle** to their respective positions. The priest and other ministers will follow.

After distributing in the mid-church area, the EMHC will check for handicapped parishioners who want to receive. Once finished return to the altar area using the **outside aisles**.

Once anyone finishes his area, look to the longest lines and use judgement. *Does the priest or EMHC need the hosts in my ciborium? Shall I go to the secondary designated spot to distribute?* (Do not create any new area for distribution.) Once you are finished take your ciborium to the altar and place it well away from the edge. Rinse in the ablution cup and dry your fingers then go to your designated position to wait for the completion of the distribution.
