

School Knights of St. Paul Class Partners

Each elementary class is assigned to a middle school knight group to be partners with. With their partners, they will work on service projects together, pray for each other, and cheer them on in team activities against the other knight groups.

By pairing our groups we are building a community of students who truly care for the welfare of others and work for a spirit of comradery among the grade levels. Each year the children will support a different knight group. By the time these children reach this rite of passage themselves, they will have a good knowledge of what it means to be a School Knight of St. Paul.

Students in the classes below will need the corresponding color shirt to support their knight group.

- PreK- Blue for the Knights of St. Michael the Archangel
- Kinder- Red for the Knights of St. Joseph
- 1st- Green for the Knights of St. Thomas More
- 2nd- Red for the Knights of St. Joseph
