

5th Grade Summer Reading List

1. Choose one book from the *Who Was...* series and complete the attached Biography Project.
2. All students will read *Wonder* by RJ Palacio and be ready to complete an AR test on this book during the first week. We will also be completing activities related to this book in class.

Who Was...?

Biography Project

Using the attached outline to brainstorm your project, create a "picture" of the person you read about.

Then, make put your "person" on a poster board. You can make your person bigger, but please no smaller than what has been provided and no larger than a half sheet of poster board.

Get creative! You can draw, use pictures from magazines, clip art, etc. You can use words or pictures to fill in the appropriate spaces on the person.

Head - Places the thoughts or ideas of this famous person

Mouth - In this area, include famous things this person said

Heart - Include the feelings and emotions that this person experienced in life

Stomach - Think of what motivated the person in life; put those here

Hands and Feet - What important things did this person do? Actions and accomplishments should be placed here.
