STUDENT CHROMEBOOK HOME USE

To support academic achievement and enhance curriculum, St. Paul Catholic School provides students in grades 6-8 a Chromebook for use at school and at home. The school staff provides guidance and direction to students about the appropriate use of the device and filters the internet access while at the school. Because learning is a constant opportunity, these devices are best utilized when the students bring them home and can continue their learning there as well.

If your family chooses to “opt-out” of bringing the device home, please sign and return this form. NOTE: ‘opting-out’ of the program is only for not bringing the device home. Students will still be assigned a Chromebook for use in the school and will be responsible for any damages.
