NJHS

The National Junior Honor Society recently visited Waterfront Mission to take a tour of their facilities and to learn about the needs of the organization to serve those in our community that are homeless or in need of extra help. They have put a power point presentation together and will be presenting that to the student body to teach them how we can live out one of the Corporal Works of Mercy- *Clothe the Naked*. Once again, they will assemble shoeboxes that contain toiletry items that are much needed to serve these people of God. Please see the flyer below to see what each class is collecting for the boxes.
