### **Thank You**

Thank you to all who gave to the Student Council Thanksgiving Meals Project. From the proceeds raised through the Halloween Pumpkin Decorating Contest and the Food Drive Dress Down Day last week, we were able to fill and provide 30 bags full of food and 30 turkeys for those in need in our community. Fr. Doug blessed the food bags at Mass and spoke to the students about the St. Vincent dePaul Society and how they serve the poor in Pensacola through the generosity of others.

**Carnival Update:** We had another donation for \$200.00 to go towards the cost of the event. That brings us to a total of \$1350.00. Thank you all for your incredible generosity!

### NJHS

The National Junior Honor Society recently visited Waterfront Mission to take a tour of their facilities and to learn about the needs of the organization to serve those in our community that are homeless or in need of extra help. They have put a power point presentation together and will be presenting that to the student body to teach them how we can live out one of the Corporal Works of Mercy- *Clothe the Naked*. Once again, they will assemble shoeboxes that contain toiletry items that are much needed to serve these people of God. Please see the flyer below to see what each class is collecting for the boxes.
