## Save the Dates

Catholic Schools Week is Jan. 25-Jan. 31, 2015. Many activities are planned for the students and families. A full schedule of events will come home in the next newsletter. Due to Sullivan Hall (the cafetorium) being out of commission and the increased sized of the student body, it has required some changes to the schedule of traditional events normally held during this week. It is hopeful that all will enjoy what we have planned just the same. We truly appreciate your graciousness during our time of adjustments. In the end, we will have a beautiful space to use.

### **We've Grown!**

Parents please check your child's uniform for proper length, overall fit, and condition. Many of the skirts and PE shorts are getting too short. The holiday break is a good time to restock both uniforms and consumable school supplies.

**\*\*\*Early arrival fee of \$5.00 will still apply to anyone dropped off prior to 7:30 that is not a safety patrol worker and a teacher notices that they are there. No Morning Care is available. It is not safe to drop students early when no one is aware that they are outside on the campus.**

The selection process and guidelines have been revised to include the specific qualities being looked for in the selection process. They are present in the National bylaws, but were not previously included in the St. Paul bylaws, but now they are, and we will use those guidelines for selection of the new members. A copy of the guidelines will go home with the kids Monday to help them fill out the activity form. The bylaws will be uploaded on the St. Paul Catholic School website this week. Participation is optional for the students who qualify and are selected.
